

Photo Scavenger Hunt March Break 2023

1. Each team or individual will be given a sheet with a list of items. You must find all items and snap a photo. Once the timer ends (4:00pm), whoever has the most pictures wins.
2. If participating as a team, you must always stay together. One cannot wander off and try and find items on their own. You and or your team must be in the photos. Selfies are accepted.
3. Do not enter private property. If you need to ask a neighbor for an item or permission to take picture, do so.
4. Play fair. Remember it's all in good fun and there is no need to ruin someone's good time.
5. All items must be photographed on one phone or camera. It's much easier to keep track that way.
6. Make sure you set parameters within the search to avoid anyone getting lost.
7. Do not take a photo of two items together. They must be in separate pictures.
8. If you're setting point values to each item, make sure you are specific.
9. Check off any found items to keep track. At the end of the challenge, your team will be asked to share a picture for each item checked off. Feel free to make a collage and send it in. I will not be sharing any photos without permission.
10. Remember try and be creative with your photos! Get outside, be safe and have fun!
11. Send pictures to Vanessa at vtoncic@cambridgefoodbnak.org and/or tag us on social media @cambyouthfb @cambfoodbank
